Memo No. C29.

Department of External Affairs,
Canberra. July 9th, 1948.

MEMORANDUM FOR:

The Official Secretary,
Office of the Australian High Commissioner,
New Delhi.

It has come to the notice of the Department of Immigration that in certain circumstances visas for Australia have been granted to persons who have produced medical certificates on Form No. 47A which showed that their health is not satisfactory.

Would you please ensure that visas for Australia are not granted to persons suffering from health disabilities unless such disabilities are expressly allowed for on their Landing permits. In those cases where approval has been given by the Department of Immigration for the admission of persons who are known to be suffering from disabilities, the Landing Permits issued in favour of such persons will be endorsed accordingly.

In any case where a Landing Permit holder is unable to produce a satisfactory medical certificate and where no special provision is made on the Permit, the matter should be referred for further consideration to the Department of Immigration.

Sd/----
Secretary.
